Well developed sourcing network of trusted beekeepers across whole Bulgaria to ensure that we can meet any demand from our customers.

FACILITIES

2

PROPRIETARY FACILITIES

Custom build facility for honeycomb, honey and bee pollen production in accordance to GMP and HACCP best practices and most strict organic standards.

BEEHIVES

2500

OWN BEEHIVES

We take care of more than 2500 beehives in one of the cleanest mountain regions of Bulgaria.

WHY US

DEVELOPED SOURCING NETWORK OF TRUSTED BEEKEEPERS ACROSS THE WHOLE COUNTRY AS WELL AS OWN APIARIES ALLOWS US TO ENSURE NECESSARY QUANTITIES OF ANY DEMAND.

We take care of
2 500 BEE COLONIES

We currently contract
200 BEEKEEPERS

We have access to
20 000 BEEKEEPERS

**Our well developed network of beekeepers allows us to source exceptionally pure honeycomb with different varieties such as acacia, linden, wildflower and lavender.*

BEE POLLEN PROCESSING CAPABILITIES

-15°C RAPID FREEZING

Each batch of bee pollen is frozen in dedicated minus degree camera to kill any bacteria microorganisms.

CLEANING AND DRYING

Bee pollen is cleaned with special machinery and then dried according to client specification

COLD WAREHOUSING

Each batch of bee pollen as raw material or as end product is stored at temperatures around zero to preserve its qualities.

FINE POWDER GRINDING

We offer grinding of the bee pollen into very fine powder suitable for numerous specific use-cases.

QUALITY

STRICT QUALITY PRACTICES, MULTIPLE STEP QUALITY ASSURANCE AND INTERNATIONAL STANDARDS ARE GUARANTEE FOR THE QUALITY OF OUR PRODUCTS.

All sourced bee pollen is processed in our dedicated facility and packed under strictly controlled environment in compliance with HACCP and GMP best practices.

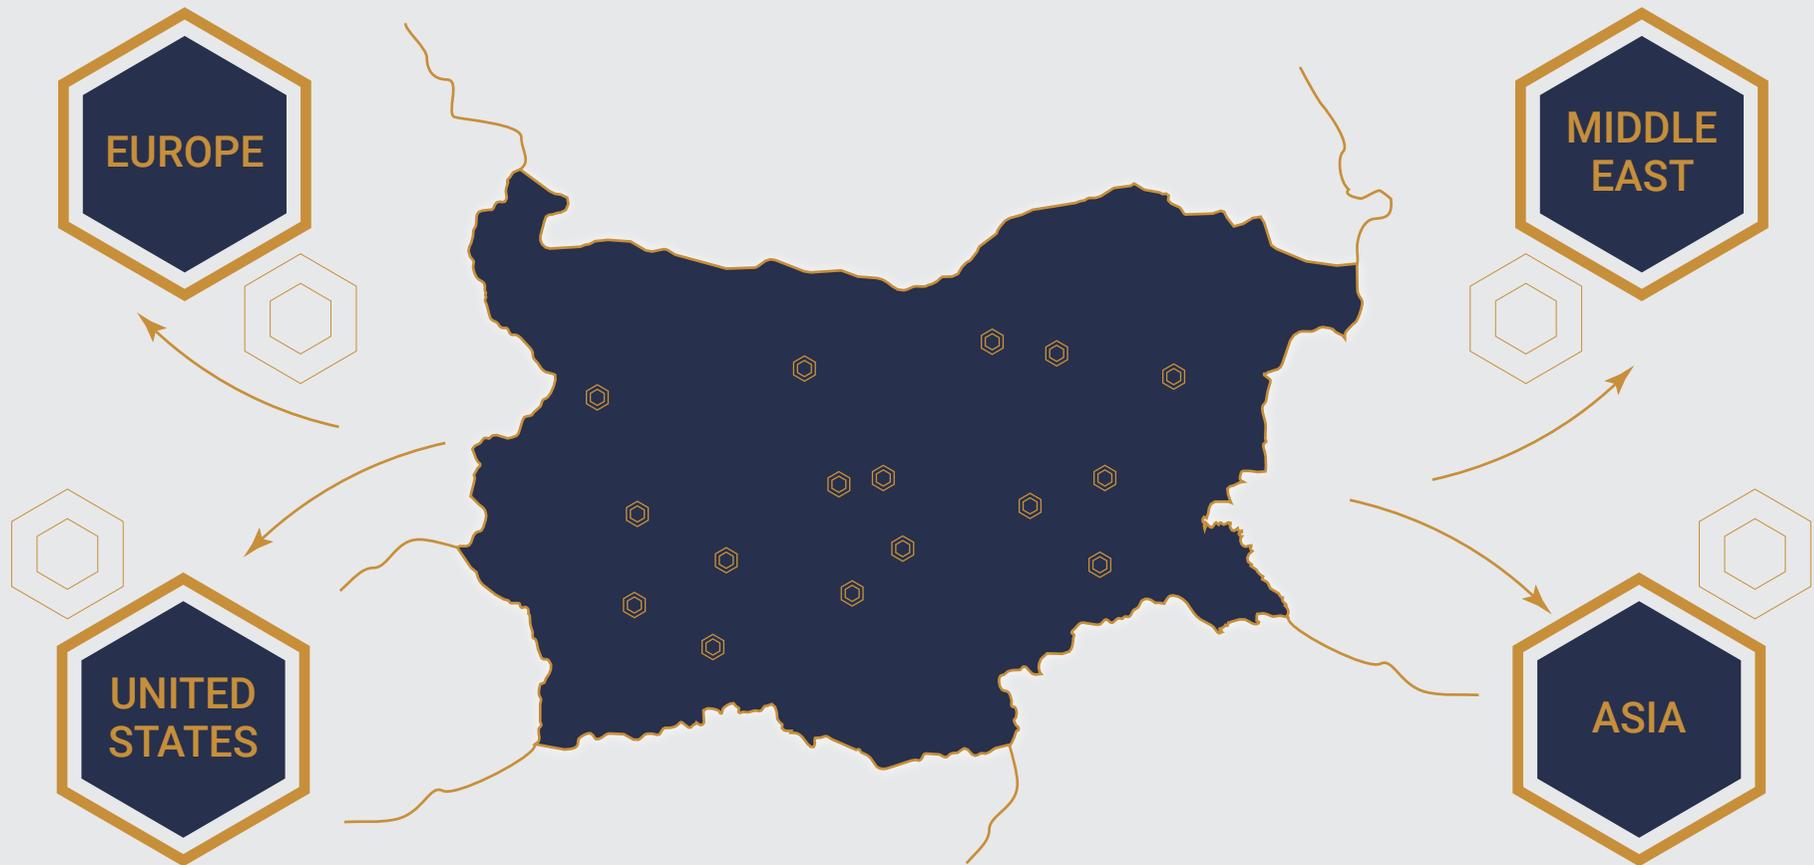

EU and USDA organic certifications are the final guarantee for our quality products and working standards.

FLEXIBLE SUPPLY CHAIN

PART OF EU28, BULGARIA HAS EASY ACCESS TO REACH ANY PART OF THE WORLD.
LOWEST PRODUCTION COSTS MAKE BULGARIA A GREAT PLACE TO OUTSOURCE LABOR
INTENSIVE PRODUCTION PROCESSES.

PARTNERSHIP, THAT WORTH IT
